

March Happenings at Mirasol!

Meet your new Event Center Coordinator!

Allow me to introduce myself, Cheryl Huegi.....your new Event Coordinator for the Mirasol Community. I want to express how happy I am to be a part of the Mirasol Community!

I bring experience in event coordinating from several types of senior community centers from city municipalities, recreation centers, non-profits and neighborhood community centers.

Cheryl Brinkers' knowledge, talent and experience are a valued asset to the Mirasol Community. I recognize the many relationships she has developed. While the shoes of Cheryl will be a challenge for me to fill, I will do my best.

I look forward to the opportunity to meet each and every one of the residents. To build relationships with all of you, and to bring memorable events for the community.

If you don't come to our monthly Community Council Meeting, we would love to see you come. I hope I see you there.

I welcome your input, ideas or desires of activities or places to visit or experience.

St Patrick's Day Lunch- March 17th

Come join us for lunch ! We will be serving a delicious meal and what great opportunity to visit with your fellow residents. Remind your friends or neighbor, or pal up to come together if you want. It will be a great time. For members who have elected the monthly activity card, it's free, all other residents will be \$12. Sign up deadline is March 11th.

Story Time

At Community Council on February 20th, a resident asked if Jane would be doing a story time for March. We were very pleased to find out Jane had another story in her and would be returning on **March 6th at 3pm at the Event Center**

Fish Fry Fridays are back!

Every Friday during the Lent season our local Knights of Columbus will be hosting their annual fish fry. What a delectable delight! If you think your tongues were twisted saying that, let's try Fantastic Fish Fry Fridays.! I think I got you there. It is a great price for so much food. The early bird gets the worm, so we will be leaving here at 4:15pm and will be arriving there in good fashion to be one of the first in line. Ask a friend to go along and let's have a great time! The price range is \$6-\$11 with choices of Baked cod, Corona Beer battered cod, Cod squares and shrimp. Sides include choice of special rice, French fries, coleslaw, rolls, ice tea, lemonade and coffee. Deserts are available at an additional cost.

African Violet Class

If you have tried to grow these beautiful plants at one time or another and haven't had such great luck, here's your chance to try, try again. They are a great hobby plant, bringing beauty to your home, a little something to tinker with, and care for during these cold weather months. This class is March 25th at 1pm.

In April we hope to introduce another hobby plant/flower activity to Mirasol's event calendar. Just a little teaser for you all. Come to Community Council Meeting, on March 19 at 1:30pm, to find out about our next introductory class for all amateur hobby plant enthusiasts.

Community Council Bake Sale

Our calendars are filling up with great events and gatherings. The Community Council is hosting a Bake sale on March 28th from 9am-2pm. Its not too late to sign up to donate one of your delicious baked goods. This is such a success that it is mentioned they sell out of baked goods before the end of the bake sale event. Support your community if you can. The proceeds from this sale go to the Masquerade ball event.

CSU Vet Hospital Tour

We look forward to this event. There has been a lot of expressed interest. Please keep in mind that there will not be any seating areas to rest. The tour departs at 2:30pm.

As your new Event Coordinator, I am eager to meet the residents of the Mirasol Community. I am perplexed as to how I can achieve this wish. I am asking you all to come to our events, ask a friend or neighbor to come with you, if you don't have someone to go with or don't want to go alone. Getting out, staying stimulated, engaged, active, and thriving are what we all would wish for the entire community to be. Come to an event, or to Community Council meeting. Let us know about your interests, if they aren't covered already. We are only one conversation away from getting to know each other. I don't claim to know all of your interests and it would really be so great to hear your ideas.
